

Netlist

```
graph BT; InitNetlist[InitNetlist] -.->|_netlistDB| Netlist[Netlist];
```

A diagram illustrating a relationship between two components. At the top is a white rectangular box labeled "Netlist". Below it is a gray rectangular box labeled "InitNetlist". A dashed purple arrow points from the "InitNetlist" box up to the "Netlist" box. To the right of the arrow, the text "_netlistDB" is written.

_netlistDB

InitNetlist
